ARCHIVIST

Miss Phyllis M. Smith, Archivist for the Academy of Dentistry, would appreciate receiving any material relating to the Toronto Dental Society or the Academy. She is particularly interested in receiving copies of the "Monthly Bulletin" a newsletter sent to members around the early 1940's; Handbills and Calling Cards of Early Dentists; Minutes of Meetings, especially those of the Toronto Dental Society from 1890-1900. She would also appreciate any menus, Class pictures (identification should be supplied if possible), old correspondence, copies of the Constitution and By-Laws and any amendments, presentations, awards and prizes, newspaper clippings and notices, examination papers and results of same. Material should be sent directly to Miss Smith at the Library, Faculty of Dentistry, 124 Edward Street, Toronto 2 or to the Academy Office at 230 St. George Street, Toronto 5.

DR. DONALD M. McKEE

Dr. Donald McKee, this year's Academy President, was born in Saskatoon, Saskatchewan and took most of his elementary and secondary school education out West. He graduated "cum laude" from the University of Toronto in 1947.

Dr. McKee is an Associate in Dentistry at the Dental Faculty. He was Chairman of the O.D.A. convention in 1970 and has served on many committees for the O.D.A. In addition, Dr. McKee is President of the O.M.L., Toronto Club; a Director of the C.A.A.; former Vice-President of Na-Churs International and currently President of "Helmegdon Holdings Ltd."

His wife, Megan, is a physician engaged in cancer research work and daughter Helen is presently in her final year of Dentistry at U. of T.

Dr. McKee is also a keen sportsman and is a member of St. Georges United Church, the Granite Club and the Board of Trade.

President's Foreword

As President, it gives me great pleasure to invite all dentists to participate in the programs of the Academy and its affiliated Societies. This year's Winter Clinic, under the capable direction of Dr. Bernie Crystal and his committee have set up an excellent and varied program embracing all facets of dentistry. I heartily invite everyone to attend for the education and friendship this one day meeting has to offer. More and more liaison has been achieved between the Academy and the component societies and in this respect I wish to thank all their Presidents and committees for their excellent help in making the Academy stronger and better united.

The golf tournament will be held at Cedarbrae Golf Club on October 5th and the dinner-dance, which is always popular, will be held at the Rosedale Golf Club on October 13th. In the new year, the annual Bonspiel will be held at the Thornhill Curling Club on March 7, 1973. Sincere thanks to Dr. Miet Kamienski, Past President, for arranging all these functions. The First Stated Meeting, an all day meeting on January 24th in the Centennial Room at the Inn on the Park, will feature Dr. R. Shira from Boston, speaking on Oral Surgery and lesions of the mouth which is of interest to the general practitioner and specialist alike.

C. F. B. Borden, under the command of Colonel L. G. Craigie, has again consented to an all day clinic to be held on March 14, 1973. As last year's attendance was excellent, anyone wishing to go, please call Mrs. Durham or myself, as early as possible in this regard.

The F.D.I. meeting is in Mexico in October and anyone wishing information should contact Dr. M. Kamienski.

Finally, sincere thanks and appreciation to all my own committee for the excellent assistance and work they have done on my behalf and especially Mrs. W. C. Durham, our excellent secretary.

The Academy is "Yours" — come out and support its functions and in so doing, you make Dentistry more united and appreciated.

Thank you

DON M. McKEE

President

HONORARY LIFE MEMBERSHIP

**George Carrick Hare,
D.D.S., F.R.C.D.(C), F.A.C.D.**

George Hare was born in London, Ontario, but at two years of age persuaded his parents to move to Toronto. He attended Western Avenue Public School and Humberstone Collegiate Institute, in the west end of Toronto. In 1923 he began the study of dentistry and graduated from the Faculty of Dentistry, University of Toronto, in 1928 with a D.D.S. degree. He immediately entered the general practice of dentistry in Toronto and retained that practice until 1964. Early in the forties he came under the teaching and influence of Dr. Ralph Sommer of Michigan and Dr. Louis Grossman of Philadelphia. As a result of this association he developed a devotion to endodontics which continues to this day. He became a charter member of the American Association of Endodontists in 1943 and was President of that organization in 1957. At the time of the formation of that body root canal therapy was barely tolerated if not actually condemned by the great proportion of dentists and physicians. George Hare was one of a group of missionary workers who fought the extraction epidemic and the high regard in which endodontics is held today is a tribute to the efforts of such men. In 1948 he formed the Toronto Endodontic Club and it is still an active organization. He particularly treasures an Honorary Membership in the Club. In 1945 he accepted the invitation of Dean Arnold Mason to establish and guide an undergraduate course in Endodontics at the University of Toronto. This position he held, with the rank of Associate Professor until his retirement from the University in 1970. In 1958 he was granted a Fellowship in the American College of Dentists and in 1964 became a Diplomate of the American Board of Endodontics. In the same year he became the first President of the Canadian Academy of Endodontics and in 1967 received a Fellowship in the Royal College of Dentists of Canada. George and Anne were married in 1929 and with their three children and seven grandchildren form a very happy family. He limited his practice to Endodontics in 1946 and still maintains a busy office, although he is looking forward to complete retirement from dentistry—in about twenty years.

SECRETARY'S REPORT 1971-72

It is customary in this Secretary's Report to review the events of the past year. To say that last year's programme was an outstanding success is an understatement.

The Winter Clinic was bigger and better and attendance set new highs in all divisions. The Clinical Programme was also well received. One of the largest audiences ever to attend an Academy single-day clinic was in attendance to hear the noted radiologist, Dr. Harry Worth. The trip to Base Borden was again an informative and highly social day. The Annual Dinner Dance, Curling Bonspiel and Golf Tournament were also financial and artistic successes. Although the Opening Dinner had always been one of the highlights of the year, increasing costs and dwindling attendance forced the council to cancel this event.

Most of the Academy's business is done at the executive level. This year your executive has decided to initiate an Office Coverage Plan in the event of sickness or death. More information will be circulated shortly. We are also taking steps to co-ordinate a city-wide mouth-guard programme. Our profession is also represented by the Academy of Dentistry on the Joint Advisory Committee on Dental Health Education. This city of Toronto committee is attempting to improve dental health education in the public schools.

We were saddened this year by the death of one of our Past Presidents R. Sidney Woollatt. His wit and charm will be missed.

Looking to the future the Academy is looking forward to increased co-operation with our four component societies. This we feel, is extremely important in these times of rapid change.

BERNARD CRYSTAL

Secretary

EMERGENCY SERVICE

The Academy of Dentistry again sponsored the Emergency Dental Service for all of Metro Toronto. This service provides emergency care after normal hours and on week-ends and holidays

This year the doctors who served were required to submit an information form. I have compiled some interesting statistics from this information. Here is a cross section taken at random from the sampling out of 275 emergency visits,

92%	True Emergencies
70%	Extractions
10%	Restorations or Temporary Fillings
20%	Pulpotomy, open root canals, prescribe antibiotics and other miscellaneous procedures
12%	Children 16 and under

The overall comment on this cross-section of visits was that many of these patients would not consider root canal therapy and fear was a factor in not seeking earlier treatment.

Many thanks to the dentists who served and to Mrs. Durham who made my task easier

Respectfully Submitted,
MURRAY WAGMAN

MEDIATIONS COMMITTEE

The Academy of Dentistry office received some 171 complaints regarding dentistry in 1971/72. Most of these were handled by the local societies' Mediations Committees, and to them I give my sincere thanks for a job well done. Some being beyond Mediations, progressed to the Complaints Committee of the Royal College of Dental Surgeons, and this Committee too, warrants a large measure of appreciation. The efforts of Miss Diana Thorneycroft and Miss Lee Gordon, and the advice of Dr. Ken Pownall have been of immeasurable help.

H. A. FERGUSON, D.D.S.
General Chairman
Mediations Committee

REFEREE BOARD ON DENTAL CARE

The Ladies Auxiliary of The Toronto Academy of Dentistry provided dental treatment for several young patients who required financial assistance.

This treatment was carried out in private Dental offices, the Ontario Crippled Children's Centre and New Mount Sinai Hospital.

A total of 11 patients were treated, mostly involving some type of rehabilitation, with a reduced fee by the Dentist involved. Thus a great service was provided by everyone involved.

A special thanks to the members of the Ladies Auxiliary for providing the necessary funds for the worthwhile project.

The Academy members are urged to donate to the scrap amalgam collection and attend the social evening and theatre party which support the ladies fund raising programs.

ROBERT J. HALL, *Chairman*

Referee Board 1971-1972

UNITED APPEAL REPORT

Again in 1972, the Toronto Dental Profession supported the United Appeal and had more of its members as contributors than any other profession. Our total in gifts and pledges was \$39,162, which represents in excess of 93% of our goal.

My Vice-Chairman, Dr. Hugh Fraser and I wish to express our thanks to the many contributors, to our campaigners and, of course, to our hard-working Captains whom we would like to acknowledge at this time:

H. Alban	V. Gilbert	R. Rodney
J. Becker	R. Isaac	I. Rose
M. Brown	T. Kameoka	S. Ross
M. Cooper	S. Kendal	P. Seltzer
T. Cuff	L. Koutsaris	J. Spradbrow
J. Cutler	J. Martin	R. Traub
E. Friedberg	D. Miller	B. Twible
M. Gelfand	C. McGowan	A. Winnick
Dr. Greenbaum	J. Pancer	R. Wyman

The 1973 campaign will soon be underway, under the Chairmanship of Dr. Hugh Fraser. The need will be greater than ever as Toronto's 80 varied agencies seek your support.

Please be generous in assisting us achieve our goal.

SHELDON ROSE, D.D.S.,

1972 Chairman

**ONTARIO DENTAL NURSES AND ASSISTANTS
ASSOCIATION - TORONTO AFFILIATED ASSOCIATION**

The Toronto Dental Nurses and Assistants Association is preparing for the future and the role that the upgraded Certified D.A. will play on the Dental Health Team. Expanded duties for properly trained Dental Assistants are long overdue; as is the respect the Dental Assistant deserves from members of the profession. The time has come when various members of the Dental Team must band together and show a united front to the public. Internal struggles within the profession will surely destroy us.

Each participant on the Dental Team must be intelligent, be enthusiastic and present a pleasing, well groomed personality. Your Assistant, Doctor, is an extension of you. Keep her happy in her office environment. Keep her interested and enthused with her position as your Dental Assistant by encouraging her to join her local Dental Nurses and Assistants Association. In order to facilitate matters for each individual D.A., the Toronto Association has split itself into four geographical areas, thus making attendance at meetings much less of a problem for our members. A schedule of meeting dates will be published and any member of the T.D.N & A.A. is welcome to participate in any or all of the meetings. Please encourage *your* Assistant to join her Association. With the active support of every Dental Assistant, the Association could become very strong and present a beneficial influence on each member.
